NEW PS Series Remote Conventional Power Supply Expanders NOW AVAILABLE

NOTIFIER is pleased to announce the new PS Series remote conventional power supply expanders designed to meet the needs of today's installations and servicing.

The PS Series includes these valuable enhancements:

- Two models for all NAC, Door Holder and Auxiliary power needs:
 - 10 Amp with 3 inputs and 7 outputs
 - 6 Amp with 2 inputs and 5 outputs
- Fully configurable – pair any input with any output
- Resistance matching for values between 2-27K ohms
- Maintenance and trouble diagnostics
 - Status LEDs on each NAC circuit
 - Power, Battery and Ground Fault LEDs
 - Trouble history
- System Sensor[®], Wheelock[®], Gentex[®] and Amseco[®] protocols
- Cascade up to 4 power supplies
- Configurable for ANSI[®] Temporal 3 or Temporal 4 coded output
- Converts Class B to Class A without losing outputs using the ZNAC-PS card (sold separately)
- Delivers the ability to mount a module, relay and/or ZNAC-PS card inside the cabinet
- Has removable door, with ten double knockouts

See below table for list of new the PS Series model number, and existing model numbers for phase out. Existing products will be available to order until June 30 of 2021, or while supplies last.

Price lists for the new products will be issued on Friday December 4, and new orders will be received as of Monday December 7, 2020. The new PS Series comes to market with UL, ULC, CSFM, and FM listings. FDNY is currently underway and will be issued as soon as it is available.

Please contact Customer Service at 1-800-289-3473 or fire.custserv.us@honeywell.com for ordering information. For any technical questions, please contact Technical Service at 1-800-289-3473 or NOTIFIER.tech@honeywell.com.

Sincerely,

NOTIFIER Team
